

**KONKAN EDUCATION SOCIETY'S  
C. H. KELUSKAR HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL,  
ALIBAG, DIST - RAIGAD (M.S.)**

**ADDRESS**

My Dear students,

I welcome all of you, in our esteemed K.E.S., C. H. Keluskar Homoeopathic medical college at Alibag to begin your study in Medical Health Science. This college is established by our Hon'ble President, Konkan Education Society, Ex. Leader of Opposition Maharashtra Legislative Assembly & a well known educationist **Adv. DATTA PATIL**.

This year we are going to start our **22<sup>nd</sup>** academic session (**2010-2011**) with your batch under the valuable & dynamic guidance of our president.

You are aware of fact, that medical profession is a Nobel profession and has got a prestigious status in the society. People of the society look at you in very different angle. Any repugnancing behaviour of you will demoralise your image in the society for ever, and society will never forgive you for such behaviour. By the virtue of noble activities many of you may reach to a level of great scientist, philosopher and artist like Dr. SAMUEL CHRISTIAN FREDERICK HAHNEMANN "The father of Homoeopathy" and Hippocrates "The father of Medicine"

Your sincerity, hardship, enthusiasm and punctuality can bring your profession to high status. You have withstand in this profession for which you must bring yourself to the merit of class. In this modern age where Medical science has reached to its high peak due to day to day progress made through research and development, your pathy may proved to be more fruitful. Your parent takes a great pain to bring your dream into reality and that must be justified. You must not get involved in malpractice and destructive activities and must not instigate others for such activities. You must obey your teachers, elders and parents which will inspire you for noble activities. Take the privilege of being an outstanding Medical students of Homoeopathy !
